Service Offerings

OTM Consulting Services:

- ❖ End-to-end/ad-hoc OTM functional & technical consulting services including Fleet Management, GTM & FTI
- ❖ State of the art workflow/integrations design
- ❖ Our innovative rate loading process simplifies rates complexity & future rate changes
- ❖ Well known for troubleshooting complex OTM issues

OTM Production Support:

- ❖ We provide 24*7 tier-1, 2 & 3 support at the lowest cost
- ❖ We perform pre-monitoring activities, identify & propose solutions for business/implementation gaps resolve issues in a timely manner, and provide server level to business critical process level configuration support

Integrations & Middleware Development:

- ❖ Mapping document generation for all OTM interfaces
- ❖ Development of interfaces using Python, GenTran, BPEL, WebMethods, Java, etc
- ❖ BPEL - New / customized process flow development, modification of standard PIPs, installations, etc

OTM Customizations & Reporting:

- ❖ Very proud to say, we are ONE OF THE BEST in OTM customizations & oracle/BI reporting
- ❖ Our team has developed over 100 creative customizations for OTM screens & notifications
- ❖ Our team has developed over 125 new reports & migrated over 75 reports from oracle to BI publisher for multiple customers

OTM Migrations:

- ❖ We are specialized in different versions of OTM migrations
- ❖ Our standard migration process will reduce the migration time
- ❖ Recently our team involved in different migrations from v5.5 to v6.3

Performance Tuning:

- ❖ Well experienced in analyzing the server level configuration, threads, connection pools, hardware sizing, OTM workflow tuning & other settings
- ❖ We have resolved timeouts, table/object locks & other performance issues at various customers

❖ **SRUJAN** has provided us with a **rock solid custom order entry solution (Quick Order Template)** utilizing OTM best practices for solution delivery. The application provides a very distinctive custom feel for our end users while enhancing our front end data integrity.

- Large 3PL Company

❖ **SRUJAN** has demonstrated in-depth OTM knowledge with qualified capable resources. They are always responsive and available to help us with support issues or to discuss design options. **SRUJAN** resources understand the OTM product and have quickly gained understanding of our business which makes them very effective. We have relied on **SRUJAN** to lead a very complex large implementation and I always had confidence they could get the job done.

- Kathy Jones, Viterra, Inc.

Who We Are ?

- ❖ Experienced and talented OTM team for onshore & offshore delivery
- ❖ Well known for high quality, on-time delivery with the lowest cost
- ❖ Strong customer & consulting partner relationship
- ❖ **SRUJAN** has provided services for 20+ OTM customers directly and/or through channel partners

Offshore

- ❖ Offshore operations are located in India
- ❖ Primary objective is not just the lowest cost but on-time & error free delivery as well
